United Way for the Greater New Orleans Area

**LIVE UNITED** 

*Be the change  
that you want to see in the world.*

{ Gandhi }

This is the book of *Leaders*.

These are the people who are improving lives.  
These are the people who strengthen communities.  
They are visionaries. They are champions.  
They are passionate about making the world a better place.

And they're starting right where they live.

# Leadership Giving

In the 2010-2011 Campaign, with the help of over 38,000 donors, United Way for the Greater New Orleans Area raised \$21,396,634 for the health and human services of our seven-parish area.

Nearly \$5 million of those dollars were invested by 4,046 Leadership Donors. They believe that United Way is the best way to identify and strategically impact the root causes of our community's problems in order to make our area a better place to live, work and raise our children.

Our United Way is pleased to acknowledge the leadership and generosity of the individuals listed in this registry. In the interest of employee privacy, some of our corporate campaigns do not share contributor information with United Way. Those contributions do not appear in this registry; however, their contribution to our community is greatly appreciated.

# Women's Leadership Council

The **Women's Leadership Council**, founded in 2002 under the leadership of Kim Sport, strives to improve the quality of life for women and children through leadership, philanthropy and advocacy. Members age 35 and over donate at \$1,000 and above, while members under 35 join **Women in the Next Generation [WINGS]** with donations of at least \$500. Male donors may designate a wife or mother to be a member of WLC.

## SUCCESES

Since 2002, the WLC has committed over \$500,000 and countless hours to raising the standards for quality child care and rebuilding child care facilities after Hurricane Katrina. It committed \$81,000 annually for three years to the Nurse-Family Partnership. The Northshore Chapter of the WLC helped launch Dolly Parton's Imagination Library in St. Tammany and gave \$31,000 to the Children's Museum of St. Tammany. WINGS members promote volunteerism in our community.

## SPECIAL THANKS

to our Health Care Partner and our Public Policy Partner.

# Tocqueville Society

Founded by C. Allen Favrot in 1985, the **Tocqueville Society** is a prestigious group whose ranks include an exceptional array of local business and civic leaders. This philanthropic group was named by United Way of America for the Frenchman Alexis Charles Henri Maurice Clérel de Tocqueville, who critiqued our country's evolving political and social structure in *Democracy in America* (1835 and 1840) and declared himself most impressed with Americans' generosity.

The greater New Orleans chapter maintains an annual membership of over 125 members and is open to those who contribute at least \$10,000 per year to United Way\*.

Each year, the Society awards its highest honor – the Alexis de Tocqueville Award – to an outstanding member of the community who exemplifies the ideals of generosity and service. The 2010 Tocqueville Award recipient was William Goldring, community business leader and philanthropist. A native of New Orleans, Bill has been a longtime friend of his city through support of United Way. He serves as chairman of the Republic Beverage Company, one of the country's oldest and largest independently owned wine and spirit wholesalers. Bill is president of The Goldring Family Foundation and The Woldenberg Foundation. His generosity is well known among many other lifetime achievements.

\*Tocqueville Members denoted with an asterisk in the Leadership Register are Corporate Match Members who have a personal gift that meets or exceeds \$10,000 when matched by their employer.

# *Richard West Freeman* Leaders in Giving Association

In 1986, United Way honored the memory of a local philanthropist and community leader through the establishment of the **Richard West Freeman Leaders in Giving Association**. The group was created in order to celebrate the generosity of those who personally give \$500 or more to the annual United Way Campaign.

Richard West Freeman believed in giving and lived his belief. His extraordinary civic leadership and philanthropy in the New Orleans community included tireless service on behalf of United Way.

The Richard West Freeman Leaders in Giving Association recognizes six levels of individual Leadership Giving in Jefferson, Orleans, Plaquemines, St. Bernard and St. Tammany, Tangipahoa and Washington Parishes.
